

pdf.articlenumber 40673876

The Andrum bathtub from Bathlife is placed along a wall but also fits in a corner. With its smart design, it is possible to mount a mixer tap on the tub. The tub has a sturdy construction, made of double-layer sanitary acrylic and reinforced with fibreglass. This provides a robust tub that is extremely durable. The tub comes with adjustable feet, drain and bottom valve. Buy to mixer tap.

This product has been developed in Sweden by Bathlife. Our aim is to deliver an affordable, quality product you can rely on and enjoy for a long time, quality assured per European standards.
