SHOWER COLUMN GLIMMA CC150 CHROME

pdf.articlenumber 401054045

Bathlife overhead shower set Glimma is a complete set with thermostatic mixer, adjustable shower rod, shower plate Ø 200mm and hand shower with three functions. Glimma has a lovely design that suits all types of bathrooms. CC 150mm with eccentric couplings for CC 160mm are included.

The mixer has a anti-scald lock and you can easily switch between hand shower and ceiling shower by turning the knob on the thermostatic mixer.

The hand shower has three spray patterns; normal, mist and massage. The height of the upper part can be adjusted, total height complete ceiling shower 800 - 1200 mm.

Note! Remember to plan the height of the thermostatic mixer and the height of the ceiling plate to enable the shower door to swing in.
